

De Tempore Vitae (Italian Edition)

Questo è un libro banale. Leggetelo come si legge un libretto di istruzioni per il montaggio di un tavolino da due soldi dell'IKEA: riuscireste sicuramente a montarlo anche senza quel manuale, ma può capitare che si smonti improvvisamente se vi dimenticate di inserire anche una misera vite. A volte ci si dimentica delle banalità, anche se importanti. Nel *De Tempore Vitae* analizzo il valore del tempo ed esprimo un giudizio sul rapporto che esso contrae con il denaro, con le tasse, con il debito pubblico e con la vita.
