

Decoding Ancient America: A Guide to the Archaeology of the Book of Mormon

A legend of the Tree of Life. A belief in the Creation story. A religion of a heavenly father, mother, and their son who died to save us all - and that's just the beginning. Use this book as your guide to the remarkable similarities between ancient Mesoamericans, and the peoples of the Book of Mormon. With new and exciting insights, pages full of thoughtful comparisons, and compelling illustrations, Decoding Ancient America will capture the interest of anyone curious about Book of Mormon archaeology.
