

Peace-making: The Inside Story of the 1994 Jordanian-Israeli Treaty (International and Security Affairs Series)

This book, the only first-hand account from the Jordanian perspective of the 1994 peace agreement between Jordan and Israel, is a major contribution to our understanding of the complexities of Arab-Israeli peace negotiations. In 1994, Jordan and Israel achieved a peace treaty through bilateral negotiations initiated and sponsored by the United States and the Soviet Union. This book reveals in candid detail the difficulties of negotiating with other Arab nations as well as with Israel, the challenge of countering domestic opposition, and the triumph of achieving an agreement.
