

# Tombstone Inscriptions of Orange County, Virginia

The work in hand records tombstone inscriptions in 150 cemeteries, thirty-three church cemeteries, and some half-dozen proprietary cemeteries, resulting in the enumeration of perhaps as many as three thousand Orange County inhabitants, giving dates of birth and death and frequently specifying family relationships. To keep the data within practical limits, the author recorded the inscriptions of persons who either died before 1900 or were born before 1850.
