

Israeli-Soviet Relations, 1953-1967: From Confrontation to Disruption (Cummings Center Series)

An Israeli Ambassador's account of the longest and most tense period in Israeli-Soviet diplomatic relations, from their renewal in 1953 to their severance in 1967. His work analyses the era from the month preceding Stalin's death to the weeks following the Six Day War - one of severance, resumption and then severance again - along two parallel processes.
